

EZ-Series Water Softener

Affordable Softening Made Simple

Enjoy softer water without the high price tag. The EZ-Series Softener gives you the comfort and convenience you need—at a value that makes sense. Built on proven technology, this system is easy to use, efficient, and designed to fit your home and your budget.

- **Reliable Water Softening – Built on trusted valve technology for long-lasting durability.**
- **Simple to Use –** Easy-to-read LED display and intuitive controls make operation hassle-free.
- **Lower Salt & Water Costs –** Adjustable cycle settings help reduce waste and save you money over time.
- **Affordable Entry-Level Option –** A cost-conscious choice for homeowners who want quality without extra features.
- **Peace of Mind –** Advanced history, diagnostics, and battery backup keep your system running smoothly.
- **Outdoor Ready –** Optional weather cover protects, and locking brine tank lid keeps it secure and in place.
